

## **For Pete's Sake Educational Scholarship**

Living Pink is a 501c3 nonprofit organization founded by two-time breast cancer survivor Kristie Wallace Barrow. Living Pink is dedicated to educating both men and women about breast health. We focus on those deemed high risk and provide them with the resources needed to fight this disease. We find ways to inspire the community around breast cancer and seek to aid all that are affected not just diagnosed.

Living Pink's "For Pete's Sake" Educational Scholarship is named in honor of our founders Mother, Mrs. Valeria "Pete" Wallace. Mrs. Wallace is a retired educator that has touched the lives of many. Even after her retirement from Guilford County Schools in 2003, she is still tutoring GCS students, teaching Sunday School & leading her church's summer camp. Her light is ever shining, and she leaves her mark wherever she goes. Surviving cancer herself three times, Mrs. Wallace is a living example of perseverance and an inspiration to us all. She is truly an advocate for education and for this reason we want to honor her legacy with this scholarship.

Living Pink started this scholarship with the sole purpose of helping our youth make a difference and not allow any obstacle, like cancer, block ones dream of furthering their education.
